INFORMATION DISCLOSURE STATEMENT

Sir:

Applicant submits herewith references of which he is aware, which he believes may be material to the examination of this application and in respect of which he may have a duty to disclose in accordance with 37 CFR 1.56.

While this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any document referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined under 37 CFR 1.56(a) exists.

I hereby certify that this correspondence is being deposited today with the United States Postal Service as first class mail in an envelope addressed to Assistant Commissioner of Patents, Washington, D.C. 20231

Three of the references are listed in the enclosed Finnish Search Report dated May 25, 2001. A concise explanation of the relevance of each reference is specifically pointed out in the search report. Two additional references cited in the specification at page 2 are also enclosed and the relevance of these references is set forth in the specification, as noted. A PTO 1449 listing the cited references is also enclosed, along with English language translations of the Abstracts, where available, of the foreign language patent references.

In compliance with 37 CFR 1.56(c) and 37 CFR 1.98(a)(3) the individual designated in 1.56(c) most knowledgeable about the content of the information of each patent, publication, or other information listed that is not in the English language is the undersigned attorney with respect to the English abstracts of said foreign language patent references, and, for such references in the native language of the applicant, said applicant or the personnel of the patent department of the assignee of said applicant.

Respectfully submitted,

Date: 9/18/01
